Mighty Oaks Academy Trust (MOAT) is offering an exciting opportunity for an exceptional, leader to develop our growing Trust based in the Telford and Wrekin, and Shropshire areas.

We are looking for an experienced and strategic leader whose priority is to ensure all pupils receive an exceptional education and that our staff are supported to deliver outstanding outcomes. Ideally, you will have experience of working and leading improvement beyond one school.

Our Trust currently consists of two primary schools, attended by approximately 700 fabulous pupils! One of our schools is based in Telford, and the other is in a rural setting, just outside the town. Our schools work closely together supported by a small central team, currently based in Telford.

The Trust is at a very exciting stage in its development, and looking to expand and grow. We are seeking an inspirational and outward facing leader who can facilitate a clear growth strategy, build relationships with stakeholders and drive school improvement and staff development. Whilst the successful candidate will be expected to have first rate business skills to manage a growing and ambitious Trust, what matters most is ensuring that our children benefit from the best possible opportunities, to exceed expectations and leave our schools with confidence to flourish on the next part of their journey into secondary school. The successful candidate will share the Trust's ethos, values and ambition and be willing and able to lead it onto a period of growth.
